See over for Gift Aid Mandate and new Data Protection Certificate

GIFT AID DECLARATION

(If appropriate and not previously completed)

Please treat as Gift Aid donations all qualifying gifts of money made (tick relevant boxes)

Today In the past 4 years In the future (ideally tick all three)

I confirm I have paid or will pay an amount of Income and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I give on or after 6 April 2008.

Please notify us if you want to change this declaration, change your name or home address or no longer pay sufficient tax on your income and/or capital gains.

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self Assessment tax return or ask HMRC to adjust your tax code.

Signature:.....Date:.....

You may cancel this declaration at any time by notifying DFMRT and must do so if you continue to donate but cease to pay the relevant tax.

DATA PROTECTION – our approach

You should be aware that a record is kept of all donors and supporters on the basis of the information that you supply, excluding any details which might be deemed sensitive.

This information is required for audit and Gift Aid purposes and is recorded in a password-protected computer 'Word' document, held by the Fundraising Officer. It is not put into a database or similar listing, manipulated, passed to any other organisation, or used for any other purpose beyond the support of the Duddon & Furness Mountain Rescue Team.

We will not contact you by telephone, text or e-mail for direct marketing but may occasionally use e-mail or telephone to resolve a query, to pass on our thanks or when you have offered active support. Our main method of communicating with you will be by letter, which will be individually produced, usually including our newsletter. Following a single donation, or occasional support, we may contact you on one or two occasions. If you do not contact us in response we will cease to contact you again and your details will be removed from the computer document. Paper and secure electronic password-protected details (memory stick in safe) are normally retained for 7 years, along with Gift Aid certificates.

If there is anything in the above that you do not agree to or if you prefer that we do not retain your details or contact you again – please tick below, or convey your instructions by another means, and your details will be removed from the current computer record.

I **do not** accept the above data protection arrangements.

If you are content with the above arrangements, and are returning this form for other reasons, please tick below:

I **accept** the above data protection arrangements.
